

PNC Riverarch Capital, the private equity affiliate of PNC Financial Services Group, is focused on making investments in privately held middle-market companies headquartered in North America. The firm seeks well-positioned companies where it can invest \$10 million to \$100 million of equity capital, primarily as a control investor in leveraged and management buyouts. The firm invests across a variety of industry sectors, including outsourced services, niche manufacturing, and value-added distribution. PNC's private equity program was started in 1982 and has provided over \$1.5 billion of equity capital to more than 100 companies. We are investing from a committed capital pool of \$650 million, a substantial majority of which remains uninvested and available.

PNC Riverarch Capital is looking to continue building its team heading into 2020 and is actively seeking qualified applicants for **Private Equity Investment Associates** and a **Business Development Officer**.

### Private Equity Investment Associate

We are seeking associates to work closely with the firm's other investment professionals and will be involved in all aspects of the investment and portfolio management process. Importantly, we expect an Associate's role to expand over time as they demonstrate an ability to take on more responsibility. As a Private Equity Associate within PNC Riverarch Capital, you will be based in Pittsburgh, PA. Well qualified candidates will have:

- Bachelor's degree from top college or university, with strong academic performance
- 2-4 years of relevant work experience (private equity, investment banking, management consulting, or corporate development / strategic planning)
- Keen interest in investing and business strategy
- Strong quantitative skills complemented by strong written and oral communication skills
- Down-to-earth and collaborative / team-oriented personality is a must

### Business Development Officer

We are seeking someone to lead and manage the business development function. The individual will work closely with the firm's investment professionals and will be involved in all aspects of the business development and other marketing initiatives. Primary responsibilities will include developing and managing the marketing strategy and associated collateral, tracking market activity relevant to the firm's investment criteria, and managing coverage of intermediaries and deal sources. Well qualified candidates will have:

- Bachelor's degree from top college or university, with strong academic performance
- Relevant work experience, which may include private equity, investment banking, corporate M&A, commercial or leveraged lending, or institutional investor relations
- Familiarity with and keen interest in both investing and marketing
- Ability to manage multiple assigned projects in an unstructured environment
- Strong communication skills
- Self-starter with an exceptional work ethic
- Down-to-earth and collaborative / team-oriented personality is a must
